I. Interviews

Thomas Brogan (appointment – Water Authority)

Mr. Marmarou stated that he would love if Dr. Brogan would serve on the Water Authority again. Dr. Brogan stated that he would love to return.

Mr. Marmarou questioned if Dr. Brogan was involved in discussions regarding CSC employees becoming RAWA employees. Dr. Brogan stated that these discussions occurred after his tenure. Mr. Corcoran stated that four positions were moved but that the people did not and some CSC employees were laid off.

Mr. Marmarou noted that RAWA is not accepting payments at their new facility. He stated that RAWA is citing security reasons but that he does not support this decision. Dr. Brogan stated that safety is a concern as many people pay in cash.

Mr. Marmarou stated that many people question the decision not to accept payment at the RAWA facility. Dr. Brogan stated that this may be a future consideration and that bonding would be necessary.

Mr. Marmarou noted the good work of Dr. Brogan when he was a member of RAWA in the past.

Ms. Reed stated that Dr. Brogan would be an asset to RAWA. She stated that he was the least political of all members. She expressed her concern about Mr. Lloyd's continued membership on RAWA and stated that she will be distrustful of the decisions of RAWA while Mr. Lloyd is a member.

Dr. Brogan stated that any decision made by RAWA requires three affirmative votes for action. He noted the need to follow the advice of their solicitor.

The Nominations and Appointments Committee recommends the appointment of Thomas Brogan to the Water Authority.
